Southeastern Law Librarian

OFFICIAL NEWSLETTER OF THE SOUTHEASTERN CHAPTER OF A.A.L.L.
Volume 6, number 4
May 1981

THE PRESIDENT'S PAGE

During the A.A.L.L. Annual Meeting in Washington, the Southeastern Chapter will have a Chapter breakfast and business meeting on Monday morning, June 29. A continental breakfast (pastry, juice and coffee) will be provided for $5.00 per person, payable at the door. The hotel's more substantial meals are so expensive that we felt members would prefer to eat light for less.

Chapter members will soon be receiving a Southeastern Chapter membership directory, compliments of the Bureau of National Affairs. Most of the work done in compiling and arranging the directory was done by Anne Towles, our Secretary/Treasurer, and our many thanks go to her for her hard work.

Elsewhere in this issue are details concerning our annual meeting in Williamsburg in August. This year we will be meeting jointly with the Southeastern Conference of Law Teachers. Although we will have a full program which will be of interest to private, academic, state and court law librarians, we will join the law professors for social functions. We are, of course, also welcome to sit in on their program sessions. Our chapter programs have been very well received in the past few years and once again will be topics of interest to all. This is a good opportunity to get to know other members of the Southeastern Chapter and an especially valuable one for those who are unable to attend national A.A.L.L. programs. We hope to see many of you there.

The parties stipulated that the appropriate unit included the 61 Broadway and 277 Park Avenue offices in addition. In so stipulating, that with the exception of the librarian at 41 East 42d Street, the various clerical and support staff of the 277 Park Avenue office perform the same functions as their counterparts at the Employer's other locations. The parties, therefore, did not stipulate that the employees at Krause's offices at 41 East 42d Street should be included in the unit.

We note, in addition to the stipulation regarding similar functions, that the merest word can reflect physically moving the Krause employees into the 61 Broadway location, and that these employees would be indistinguishable from Strock & Strock personnel and receive the benefits of the Krause office. Therefore, the unit should include the clerical and support staff of both 61 Broadway offices. The Employer, who were to be the only persons employed in the 277 Park Avenue offices, share a community of interest with the clerical and support staff at the 61 Broadway and 277 Park Avenue offices, and therefore include them in the unit found appropriate.

The Employer also urges that paralegals be included because their functions are similar to those of the paralegals at the Krause office. The Employer's paralegals also perform clerical functions and, in addition, they also perform substantive legal services. The record indicates that the 61 Broadway office never has paralegals in residence there. The Employer's paralegals perform the same functions as paralegals employed by the Employer at Krause's office, including research and preparation of legal material. Therefore, the Employer urges that the 61 Broadway location be included in the unit.

The Employer also urges that Krause's librarians be included in the unit. The Employer notes that Krause's librarians are the only librarians in the New York area, and that the Krause librarians are the only librarians in the New York area. The Employer argues that the Krause librarians are the only librarians in the New York area, and that the Krause librarians are the only librarians in the New York area. The Employer urges that the Krause librarians be included in the unit.

The Employer also urges that the unit be expanded to include all employees within the 61 Broadway and 277 Park Avenue offices. The Employer notes that the Krause librarians are the only librarians in the New York area, and that the Krause librarians are the only librarians in the New York area. The Employer urges that the Krause librarians be included in the unit.

The Employer also urges that the unit be expanded to include all employees within the 61 Broadway and 277 Park Avenue offices. The Employer notes that the Krause librarians are the only librarians in the New York area, and that the Krause librarians are the only librarians in the New York area. The Employer urges that the Krause librarians be included in the unit.

This NLRB opinion is reprinted from 105 BNA Labor Relations Reporter 1609-1611 (1980) and SCALL Newsletter v.8 no.3 (1981).

At last report AALL's Private Law Libraries SIS was investigating to see what positive action might be taken.
