The Southeastern Chapter Breakfast, held in Washington on Monday, June 29, was well attended this year, with 60 members present and fairly awake! The minutes of that meeting appear later in this issue of the newsletter. In addition to the reports of committee chairmen, plans for the August meeting in Williamsburg were discussed, and a joint meeting with the Atlanta Law Librarians' Association, to be held March 19-21, 1982 in Atlanta, was announced. In addition, we learned that two members of the Chapter were elected to the A.A.L.L. Executive Board -- Sally Wiант (Washington & Lee) and Betty Taylor (University of Florida). And, of course, Leah Chanin (Mercer University) has been elected Vice-President/President-Elect of A.A.L.L.

During the A.A.L.L. Annual Meeting I attended a breakfast for all chapter presidents at which we discussed common concerns and an organizational structure for our group. Although chapter presidents had met in the past, this had not been done in recent years. We decided to form a Council of Chapter Presidents, a loosely organized group which will meet regularly to improve communication among chapters and the sharing of ideas.

Let me urge everyone to attend the Chapter's annual meeting in Williamsburg, August 13-15. Mike BeaIRD and the program committee have put together an interesting series of programs which will be worthwhile for most Chapter members. This is a nice opportunity to become acquainted with other members of the Chapter -- perhaps an even better one than A.A.L.L. annual meetings, as it is a more manageable group (we had 1,600 in Washington!). I look forward to seeing many of you there.

Minutes

President Robin Mills convened our Chapter Meeting in Washington on June 29, 1981 at 8:00 a.m. with 60 members present. She recognized those members of our Chapter who are serving in a national capacity: Leah Chanin, Vice-President/President Elect; Betty Taylor, Sally Wiant & Carol West, Executive Board.

Committee reports were as follows: Leigh Morris/Placement - The Placement Committee successfully found Leigh a job in Golden, Colorado working with Amex Corporation, so a new chairperson will have to be appointed. Scholarship/Bill James - The Committee increased the number of scholarships to four this year and increased the amount of each to $250. This year's recipients were Janeed Denson, Mary Ladner, Patricia Mennicke and Oretta Ortiz. Newsletter/Margie Axtmann - The Newsletter is continually in need of articles and information for publication. Program/Mike Beaird - The program is set for Williamsburg, except that Rich Greenfield from Georgetown will substitute for Igor Kavass in the program on international law. Margie Axtmann announced that the meetings will be held at William and Mary School of Law, that she had registration packets with her and that room reservations should be made by July 13.

President Mills announced that the next Chapter Meeting after Williamsburg will be March 19-21, 1982 at the Colony Square Hotel in Atlanta. This Meeting will be held jointly with the Atlanta Chapter, and Jane Gudelsky is handling local arrangements. Mike Beaird and someone from the Atlanta Chapter will be in charge of the program and they welcome suggestions. The Executive Committee decided to designate the Chapter Meeting in Detroit as the Annual Meeting for the change of officers. This allows the officers to take office at the first Chapter Meeting following their election in May and allows them to change with the fiscal year as does the AALL.
Anne Butler, AALL Education Committee, reported an attendance of 116 at the Institute in Charlottesville preceding this meeting. The Institute was taped and copies can be obtained from Mobiltape of Glendale, California. She thanked Larry Wenger for local arrangements and solicited ideas for next year.

Leah Chanin reported on the AALL Executive Board Meeting to say that the Public Relations Committee is printing a brochure to send to law firms and state bars to encourage the hiring of librarians. Don Ziegenfuss, the Chairman of that Committee, assured us that our chapter will receive some of these brochures and suggested that a person be named to coordinate this effort. Leah also announced that four counties in Florida had successfully petitioned to form a new South Florida Chapter of AALL. She expressed her concern that there was no procedure for informing the membership of this action.

Sally Wiant, also reporting on the Board Meeting, announced that there would be a resolution at the business meeting to change the definition of an 'active member' to allow those other than law librarians to vote.

Mike Beaird thanked Kay Todd for help on the Program Committee and asked that all chapter members who would be speaking in Williamsburg please meet with him after the meeting.

Anne Slaughter Towles gave the treasurer's report (see the following page).

Robin Mills adjourned the meeting.
